

Communities + Generations + Innovations

www.ageplus.org

Disclaimer

Circles of Care is a resource to help people organize in their communities. AGE+ is not directly affiliated with local groups and are not accountable for their activities.

PLEASE NOTE: Independent Circles of Care are run by local people, community members and groups wanting to support their most vulnerable neighbors with errands, information and support. For up-to-date medical advice you should see information from [Oregon Health Authority](#) or the [CDC website](#) for further announcements.
