Circles of Care Sample "Hello, Can I Help You?"

[copy or use your own words]

Hello, neighbor,

**Are you unable to leave your home because of Covid-19/Coronavirus?
How can we help you?**

My name is _____ and I am forming a Circle of Care to come together with people finding it hard to access the help they need.

(Keep in mind that older adults may be suspicious of scams. It might help to add something here that identifies you. Examples: "We're the folks with the RV down the street." Or, offer a way to check a reference, "Pastor Smith suggested I reach out to you.")

We want to help. **We don't ask for anything in return.** We just believe in helping each other in a time of difficulty.

We are your local neighbors, not trained professionals. We can only offer help within reason and in ways we can also stay safe. If you need medical advice or attention, try to reach your doctor. Or call 9-1-1 if you need immediate help.

Need Support?
