

# SHARED FUTURE OREGON

## Multi-Sector Plan for an Age-Friendly Oregon

Dear Governor Kotek:

Thank you for your commitment and work to make Oregon a great place for people of all ages and abilities. I urge you to declare Oregon an Age-Friendly State by joining the Network of Age-Friendly Communities and States and directing the development of a Multi-Sector Plan for Oregon that addresses key challenges and opportunities our communities face.

I support this effort because:

I support this effort along with advocates like AGE+ from across the state. AGE+ works with cross-sector partners, local champions, providers, and public agencies to ensure that older adults are seen and supported in age-friendly ways. Let's create a brighter shared future for all generations of Oregonians together. Thank you for your commitment to making Oregon age-friendly.

Sincerely,
